Guidelines for your Adopted Area

The CBA would ask that you:

- Keep your safety a top priority
- Keep your “Spot” weed-free
- Pick up any litter as you work
- Watering and pruning as needed
- Pre-approve any changes you might want to make to the area with the CBA

The CBA will evaluate the Adopt-A-Spots periodically.

The evaluations are meant to give our volunteers feedback on their spots, and help maintain quality in the program.

Your Adopt-A-Spot will be featured on our web site with your name or the name of your organization, as a means for telling others in our community that you are helping our city beautification efforts.

If you have questions or need advice, please contact Mary Kachurik of the CBA (330-637-3098)
