## Lakeview Local Schools receives donation from Home Savings

Youngstown, OH (April 25, 2018) – Home Savings recently donated a check for \$5,000 to Lakeview Local Schools. The Lakeview Local School District is partnering with the City of Cortland to refurbish/replace the tennis courts at Willow Park as the school district utilizes the courts for their tennis teams.

"We use the tennis courts at Willow Park for our high school matches in the fall and spring. In addition, the courts are used for summer camps for our students," explained Sean Miller, Treasurer, Lakeview Local Schools. "We are looking forward to partnering with the City of Cortland on this project and we are hopeful that this project will be completed before the fall season."

"The overall project cost will be approximately \$65,000 and this donation will be a great start to our community fundraising. We are very thankful to Home Savings for their generous support. We are hoping to raise at least half the money through donations with the city providing the balance of the funds needed to complete the project," said City of Mayor Jim Woofert, City of Cortland.

"We are so proud to support Lakeview Local Schools in their efforts to partner with the City to make improvements to Willow Park, which is located in the heart of Cortland, where so many students and families come together to have a good time," said Trish Gelsomino, Home Savings. "Working together we can truly make a difference!"
