Hello, my name is Todd Price and I'm a Fire Captain with the City of Cortland. I just wanted to take a moment to introduce myself and give you some background. I grew up in Bristolville with my parents and sister, attending Bristol schools. I developed a love for the fire service at an early age, volunteering at age 16 as a junior firefighter. After graduating in 1993, I attended The University of Toledo and obtained a Bachelor's Degree in Nursing.

I returned to the area after college and obtained valuable work experience as a nurse at Trumbull Memorial Hospital Emergency Department and Mercy St. Elizabeth's Mobile ICU. I also completed my paramedic training with help of Bristol and Champion fire departments. I was hired in 1998 by the Cortland City Fire Department and transitioned to full time in early 2001. I currently hold the rank of Captain.

I purchased a home in Cortland in 2001 and currently reside with my wife Stacy and two kids, Reagan and Gavin. Both my children attend Lakeview Middle School. Those who know me would agree that I love my job. I enjoy going to work and serving this community. I appreciate the support our department receives from our residents on a daily basis. I feel blessed to work in such a nice small town.
