

## General Fund RENEWAL levy

A RENEWAL levy will be on the ballot November 3, 2020 for the purpose of current operating expenses in the city's General Fund. This is a RENEWAL levy, meaning that this levy will cost taxpayers no more money than they are currently paying.

These funds will continue to provide for the annual asphalt resurfacing program, continued maintenance and improvements for our Water, Storm, and Sanitary systems, and maintenance and improvements of Willow and Pearl parks.

This funding also allows the city to provide services like the monthly brush chipping program and the annual mosquito spraying program.

The city will continue to apply for and utilize state and federal funding to stretch these funds, and this will be at NO ADDITIONAL COST to our taxpayers.

Please vote "YES" on November 3 for this RENEWAL levy and allow us to continue providing the high quality services you have come to expect.
